WE'RE ALL ABOUT FAMILY

For well over 40 years, Centurion has been committed to its customers, its people, and its suppliers. Whilst others are shipping jobs offshore, we are investing in Australia and Australian jobs.

Our garage doors are designed with your family in mind. We have done 10,000+ hours of research to make your door safer, quieter, and easier to maintain, whilst still delivering a fantastic looking door.

GROWING TOGETHER

Over the past decade, Centurion has developed a large network of garage door dealers across Australia. We have partnered with those who we believe are the best in the business and passionate about servicing Australian families just like yours.

Ours is one of Australia's fastest growing networks of garage door dealers. We proudly partner with over 60 garage door dealers! You can find one in your area by jumping onto our dealer locator on our website.

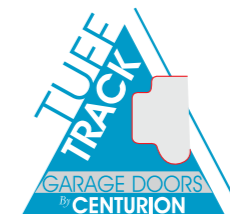

60+ LOCATIONS AND GROWING!

QUIETER

DESIGNED TO BE QUIET

We're regularly told by our customers, both builders and home owners, that we manufacture the quietest garage doors on the market. This didn't happen by chance! Our innovative Research and Development team have revolutionized the garage door market

and set the benchmark for quietness through numerous patented design features that set our door apart and make it stealthy quiet.

Your family are going to love it - and so are your neighbours!

"Centurion Garage Doors easily have the quietest doors on the market."

Michael Cooper, Townsville Garage Doors

1

CLICK AND GO TRACK CURVE

Centurion's CLICK AND GO TRACK CURVE means fast installation, with quieter operation and greatly reduced maintenance.

2

TUFF TRACK

Centurion's unique TUFF TRACK is up to 50% stronger than normal tracks! This also comes with our factory pressed bracket system for a neat and professional looking installation.

3

PIVOT LOCK HINGE

Our unique patented PIVOT LOCK HINGE system sees the door hinges installed within the door panel in a factory-controlled environment, ensuring consistent high quality.

4

ROLLER CARRIER

Centurion's unique ROLLER CARRIER allows quick and simple installation of door rollers, with no metal on metal contact for smoother, quieter operation.

5

CENTURION OPENER

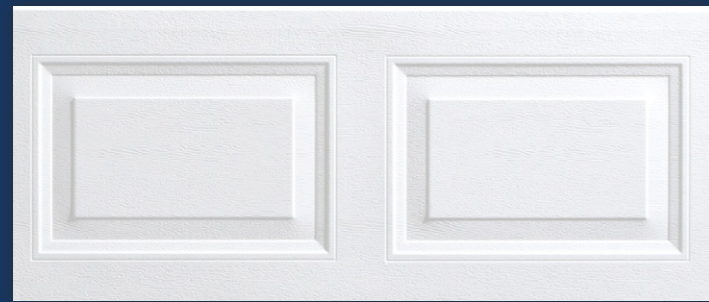

Just like everything else about our sectional doors, the motors in our CENTURION OPENERS are quiet by design. For ultimate peace and quiet, combine your sectional door with one of our openers.

POPULAR UPGRADES

SIDE AND BOTTOM SEALS

Keep your garage clean and tidy with our optional SIDE AND BOTTOM SEALS. Our seals help prevent leaves, dirt, pests and other nuisances from entering into your garage.

OBSTACLE DETECTION SYSTEM

Our OBSTACLE DETECTION SYSTEM can immediately detect an obstruction by transmitting a light beam across the width of the garage door opening. If the beam is broken, the garage door will reverse its direction before impacting the obstruction.

SECURITY PLUS

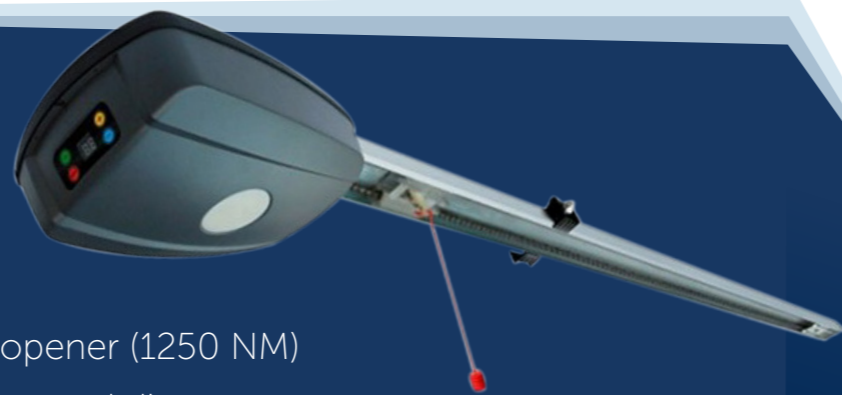

Upgrade to Australia's strongest and safest residential garage door. Keep the crooks out with our SECURITY PLUS upgrade. With strategic reinforcements to your door, you can rest easy knowing that your family and valuables are safe!

TIMBALOOK

Add a warm and timeless look to your home facade with our TIMBALOOK series. These doors are made from genuine BlueScope steel and are lighter, easier to maintain, better for the environment, and overall better value than a real timber door!

CENTURION EURO 1250 MOTOR

- Australia's most powerful residential door opener (1250 NM)
- Inbuilt rail lock that engages and disengages automatically
- Corrosive-resistant aluminium rail with super quiet belt drive
- 5 year comprehensive parts warranty
